CAREER OBJECTIVE:

Enthusiastic and dedicated aspiring Full-Stack Developer actively seeking an internship opportunity in software development. Possessing a strong foundation in software development principles and techniques, I am eager to apply my skills and knowledge to real-world projects while gaining hands-on experience in a professional setting. Proficient in programming languages (HTML, CSS, JavaScript, Python, SQL), frameworks/libraries (React, Node.js, Express.js), and technologies (RESTful APIs, Authentication). Passionate about learning and collaborating within a dynamic team environment.

PROFESSIONAL EXPERIENCES

Project Team Lead

TECH4DEV (March 2024 - Present)

Job descriptions:

- Guided the team on the architectural front-end framework and projects.
- Led frontend development teams in creating custom software applications.
- Ensured software quality through code reviews, testing and control measures.

Front End Developer (Entry-Level)

Adeeva Capital Limited (Jan 2021 - Sept 2023)

Job description:

- Collaborated on implementing front end solutions, focusing on responsive web design.
- Assisted in developing website layouts using HTML, CSS, and JavaScript.
- Participated in code reviews and debugging sessions.

Software Digital Strategist

Clam Zee Logistics (Jan 2018 – Dec 2020)

Job description;

- Contributed in the creation and maintenance of websites and applications aligned with digital marketing goals and user experience standards.

- Provided support on software tools and platforms to ensure effective utilization by digital marketing teams.
- Worked closely with cross-functional teams, communicating technical concepts and updates to align software development with marketing objectives.

Software Support Specialist

Fidelity Bank PLC (Feb 2014 - Jan 2018)

Job Description:

- Logged transactions, support software applications and digital banking platforms.
- Managed customer inquiries and resolved software issues.
- Contributed to improving software products and services through customer feedback.

Digital Marketing Strategist

Allianz Nigeria Insurance plc (Feb 2013 - Jan 2014)

Job Description:

- Led digital transformation of marketing processes.
- Developed and executed digital marketing strategies.
- Implemented streamlined digital marketing procedures.
